Dear Parents,

As a part of our Community Service Project, we propose to have 'Joy of Giving' Week for Nursery to Std. VIII from 25.10.2023 to 04.11.2023.

'Joy of Giving' is about discovering happiness through selfless acts of kindness. It teaches us empathy, compassion, and the importance of making a positive impact on others.

Your active participation makes a real difference, helping you learn the art of giving and experiencing the true joy it brings.

We invite you to join us in spreading kindness and generosity, and here's how you can participate by donating things and buying Diwali Articles made by our students. Amount thus collected will be donated. All kinds of donations will be given to Vatsalya Trust, KanjurMarg, Mumbai. It is a non-profit organization, established in 1983 with the primary objective of caring for and rehabilitating destitute children through its orphanage as well as other social programs.
