

D.A.V. International School, Mulund

2021-2022

School proposes a New Mobile Application Snap Homework to Communicate with Parents.

This app will allow teachers to easily communicate with parents.

Parents will receive classroom updates, homework, worksheets and messages from the teacher through this application.

Parents need to Sign-in only once. Both Parents are requested to DOWNLOAD this FREE app on their phones

This application will enhance teacher-parent communication while supporting an e-learning initiative to reduce use of paper:

Parent / Student registration instruction for New User:
