Dear Parents,

The school endeavours to nurture reading habit in students for their holistic development. Towards encouraging the young, avid readers to immerse themselves into the world of books, the school proposes to have the 'Reader's Award- 2024' for Std III to VIII. An initiative that appreciates and applauds the efforts of the students who read maximum number of books.

The criteria for the award is as follows:

- The students should read as many books as they can. They are free to choose the author.
- The students of Std V to VIII will write a review on any three books with the record of books read.
- The students of Std III and IV will participate in an oral test based on the books read.

The minimum number of books to be read by the students is as follows:

Class	No. of books (minimum)
III & IV	15
V to VIII	20

The school committee will finally decide the winners based on the one-to-one discussion and the winners will be felicitated with a medal / a certificate / gift vouchers

'Reading maketh a man' so, let us join hands in this venture and encourage students to read every day!

Thanks for your constant support towards our academic and non-academic initiatives.

Regards,
