### SCIENCE EXHIBITION – ‘NAV CHETANA’

Dear Parents,

At DAV International School, Mulund, we believe in fostering scientific temper, curiosity, and creative thinking among our students. With this vision, we are pleased to announce our upcoming Science Exhibition – ‘Nav Chetana’.

**Nav Chetana** reflects DAV’s commitment to fostering **scientific temper, innovation, and responsible thinking**. The exhibition beautifully traces the journey of knowledge from the **scientific insights of the Vedic age to the era of modern science**, highlighting that scientific progress is a **continuation of an ever-evolving quest for knowledge**, not a departure from tradition.

Through this exhibition, students are encouraged to view science as a powerful tool to understand **life, space, society, and the environment**, while remaining **ethically grounded and socially conscious**.

*We cordially invite parents to witness creativity, curiosity, and conscious innovation come alive through our students’ exhibits.*
