Dear Parents,

We are happy to share the success of our **Annual Day** celebration, which was held on **17th January 2025**. It was a memorable event, and we appreciate the enthusiastic participation of our students.

For those who wish to receive **hard copies** of the photographs, you may submit your request along with a payment of **Rs. 200/-** to the respective class teacher. You will receive **6 photographs** of the event.

To place your order, please send the following details and payment in a **labelled envelope** through your ward to the class teacher:

- Your Ward's Full Name
- Standard & Division
- Name of the Performance

Note:

- **Compères and students in singing performances** may contact the class teacher directly. As their participation may not require 6 photographs, the number and cost will be adjusted accordingly.

Kindly ensure that the amount and information are submitted to the class teacher on or before **13th February 2025** to facilitate timely printing.

Thank you for your cooperation.
