Date: 02.07.2025

Dear Parents,

With the aim of fostering lifelong love for reading and to promote regular reading habits, the school introduced the Readers Award in the year 2023 – 2024. We now initiate the same for the year 2025 – 2026 for Std. III to VIII. This continues to be an initiative aimed at nurturing and celebrating reading habits among students.

The criteria for the award are as follows:

- The students should have read as many books as they can. Books can include storybooks, novels, biographies, comics, or other age-appropriate reading material.
- Students of Classes V to VIII will submit reviews of any three books along with a record of the books they have read.
- There will be an oral round for students of Std. III to VIII to assess their understanding of the books they've read.
- Time period to read: July 2025 to December 2025.

The school committee will finalise the winners based on individual interactions, and the deserving students will be felicitated.

The Committee's decision will be final.

Let's work together to inspire a generation that reads, imagines, and learns beyond boundaries.

Thank you for your constant support towards our academic and non – academic initiatives.

Warm regards,

Hema Nair
