**Dear Parents,**

With the aim of fostering a lifelong love for reading and encouraging consistent reading habits, the school is pleased to continue the *Readers Award* for the academic year **2026 – 2027** for students of **Std. III to VIII**. This initiative is designed to nurture, recognize, and celebrate the joy of reading among our students.

**The criteria for the award is as follows:**

- Students are encouraged to read as many books as possible. These may include storybooks, novels, biographies, comics, or any other age-appropriate reading material.
- Students of **Classes V to VIII** are required to submit reviews of **any three books**, along with a record of all the books they have read.
- An **oral round** will be conducted for students of **Std. III to VIII** to assess their understanding and engagement with the books.
- **Reading period:** July 2026 to December 2026

The school committee will finalise the winners based on individual interactions, and deserving students will be duly felicitated.

**The decision of the committee will be final.**

Let us come together to inspire a generation that reads, imagines, and learns beyond boundaries.

Thank you for your constant support towards our academic and non – academic initiatives.
