One Rakhi • Many Bonds • Endless Gratitude

Dear Parents,

Raksha Bandhan is a celebration of **love, care, responsibility, and gratitude**. Beyond the cherished bond between siblings, it inspires us to strengthen family relationships, cultivate a spirit of service, and express gratitude to those who tirelessly protect our community.

With this objective, the school has planned the following activities to help children experience the joy of **earning through responsibility and giving with gratitude**.

1. Rakhi Making with Family

Students are to prepare a **handmade Rakhi** at home along with their family. Parents are requested to upload photographs of the Rakhi-making activity using the **Google Drive link** shared by the school.

2. Responsibility Begins at Home

To inculcate discipline, independence, organisational skills, and a sense of responsibility, students are encouraged to perform simple age-appropriate tasks at home, such as:

- Organising their study materials and personal belongings.
- Washing their tiffin box after school.
- Keeping their uniform ready for washing.
- Assisting parents with simple household chores.
- Spending at least **30 minutes of quality family time every day without mobile phones**, engaging in a meaningful activity together.

Parents are requested to upload photographs of the family bonding activities, including making handmade Rakhis together, to the Google Drive link given below.

Homemade rakhees should be submitted to the respective Class Teachers on or before 14th August 2026.

Let us celebrate **Raksha Bandhan** by nurturing values that begin at home and extend to society, inspiring our children to become responsible, compassionate, and grateful citizens.

Warm Regards,
