Dear Parents,

Reading is a fundamental skill that not only supports academic success but also fosters creativity, critical thinking, and lifelong learning. To encourage students to develop a genuine interest in reading, the school proposes to have the '**Reader's Award – 2025**' for **Std. III to VIII**. An initiative that appreciates and applauds the efforts of the students who read maximum number of books.

- The criteria for the award are as follows:
- The students should read as many books as they can. They are free to choose the author.
- The students of Std. V to VIII will write a review on any three books with the record of books read.
- The students of Std. III to VIII will participate in an oral test based on the books read.

The school committee will finally decide the winners based on the one – to – one discussion and the winners will be felicitated.

Let us encourage our students to read.

Thank you for your constant support towards our academic and non – academic initiatives.

Regards,

Hema Nair
