

D.A.V. INTERNATIONAL SCHOOL, MULUND

2026-2027

Std. III to VII

Ref: DAV/Mulund/2026-2027/Cir-035

Date: 27.08.2026

COMPETENCY BASED EXAMINATION

Dear Parents,

Education today goes beyond the acquisition of information. It focuses on **understanding concepts, applying knowledge, thinking critically and using learning meaningfully in different situations, including beyond the prescribed textbooks**. Competency-Based Assessment encourages learners to move beyond rote memorisation and demonstrate their understanding through **application-based and higher-order thinking questions**.

With this objective, it has been decided that **all D.A.V. Schools in the Western Region Zone C, will conduct a common Competency-Based Examination for Std. III to VII.**

The examination will comprise **one integrated paper of 50 marks**, covering the following subjects:

English | Hindi | Mathematics | Science | Social Science

The **regular prescribed textbooks** will form the basis of the examination, while questions may encourage students to **apply their learning to unfamiliar and real-life situations and think beyond the directly taught content**.

Examination Details :

Day and Date : Monday, 21st September 2026

Duration : 1 Hour

Note : Competency Based Exam will be conducted during regular school hours.

Parents are requested to encourage children to **understand concepts thoroughly, revise their regular textbook content and prepare with confidence**.

This common assessment will provide a meaningful platform for students to strengthen their **conceptual understanding, application skills and confidence in learning**.

Regards,

Hema Nair
