## **Safety**

Ref.: D.A.V. Mulund / 2025-26/Cir-062

Date: 19/12/2025

Dear Parents,

Safety and well being of our students has always been our highest priority.

In this regard, we seek your continued support to ensure that all students commute to and from school in a safe, secure and responsible manner.

Parents who avail service of Private transport are requested to strictly ensure compliance to the following.

- Every Private transport must have a lady attendant who escorts children to the gate of the school.

Private transporters drop the children at different locations and ask the children to walk ahead and pick them at a distance from the school.

Heavy traffic and strangers on the road compel us to say that private transporters must ensure safe movement of children.

- Students must not be allowed to get down once they board the transport.
- Unauthorised people are strictly not permitted to get into the vehicle or talk to the students.
- The school has been asking for documents of Private transporters which include:- valid driving license, copy of Aadhar card, Police verification.

Parents have not submitted any of the above.

- First Aid Kit to be made available in the vehicles.
- Condition of vehicles and ratio of seats and students is to be verified.
- Parents who pickup children on a daily basis must carry the Parent ID cards. The school will not hand over the child to neighbours/relatives/grandparents/caretakers without prior written notice and not whatsapp messages.

**Parents are to be vigilant. Directions from school are to be respected and adhered to. We are deeply concerned about the safety of children.**

With warm regards,

*Hema Nair*
